CANA Christmas Gift

Hello students, graduates and friends of CANA!

I have been racking my brain as to what I could give you this year to say thank you for all your support and this is what I finally came up with:

Everything "Money Making Related" Coaching Class

You see, I figure you already know how to coach, what you need is to know how to make money from it. After all, you can't help anyone if you cannot get clients!

Topics covered:

- Why do I need to charge people for my services?
- What am I not doing that will make the difference between having clients and not?
- How else can I make money?
- How do I protect my work from being stolen?

• How do I sell my books?

And any other website, marketing and income generating questions you have!

Start writing your questions down now and bring them to class with you. This class will be recorded so if you miss it as long as you are registered you will be able to access it.

Class Date: January 28, 2010 at 12pm EST.

Cost: \$0.00 but you must be registered.

Open to: Students, graduates and anyone on this email list.

To register: Email Mackenzie at Director@coachtrainingacadem.com subject line "REGISTER ME"

Late Fees List

Starting the first week in January for every week a scheduled payment is late a \$25.00 administration fee will be added on.

Thus, if a scheduled fee is \$100.00 per month, due on the first, and a payment is 7 days late a \$25.00 fee will be added to the total amount owing. Student's will be notified when the fee has been added to their account.

Program Updates
